Mader Motorsports 2007

w/Jennifer Yinger

Angel Marketing Group is working together with Mader Motorsports to execute a high-profile sprint car team in the racing industry, highlighting unparalleled interaction with the general public. This program will offer those involved the experience and the organization of a great team, major public interaction with diverse events, and a complete schedule of races!

Mader Motorsports has developed a self-supported presence with 358 sprint cars for the past 5 years in the central Pennsylvania area. Strong devotion and constant marketing of those supporting them, as well as, the recent re-structure, were major factors when reviewed by Angel Marketing Group.

Mader Motorsports will soon announce a series of attention-grabbing facts about the Team. Our primary focus will be with a new, refreshing and reputable driver, Jennifer Yinger. Jennifer is a very marketable young female with racing 'in her blood.' She already has over 4-years experience and expresses total interest in growing more in the industry. The Team has also developed a series of marketing projects to support our sponsors including, multiple racecars (1 primarily as a show car), schedule of shows/events, and sponsor support advertising.

Direct marketing, exciting interaction with the general public, and merchandising is an outstanding marketing platform for those interested in increasing their presence or breaking into the industry! In addition, Angel Marketing Group will also support the Team in other areas of general interest, such as, local city/town events, mall/store appearances, and additional advertising.

Our Future:

Racing is a continually growing sport showing more and more interest from all age groups, male and female. Our Team program will also include a devotion to children of all ages, including a strong support to Spina Bifida, a local organization supporting children with spinal disabilities. We also believe in the next generation marketing. The Team will accomplish this and anticipate increased media coverage by asking to be a part of some local related events.

Logistics:

When fans visit us at races or events, they will always see a clean, family-friendly atmosphere. The car and trailer will arrive clean and designed with our advertisers name/logos. Our Team members will always welcome pictures with the car and offer pre-printed flyers, including Team and driver information, along with Sponsorship information.

As an additional advantage to our program, Mader Motorsports will offer a FREE fan club membership. Fans will fill out a simple form, allowing us to send emails, schedule changes, special events, and any discounts and special Team events to all members. This “Fan Club Membership” process will capture demographic information, which will also create a valuable mailing list and marketing tool.

Sponsorship:

Mader Motorsports has multiple racecars and a trailer. As part of being a sponsor for the Team, most packages include name/logo placement on all company transportation vehicles.

‘Bronze’ and above level sponsors will be offered a 12-month, calendar year package. These packages will include all signage, media coverage, and all appearances.

Our goal is to build a long-term relationship with our sponsors. The Team’s interest is to make our sponsors #1 in this market with this unique arrangement. We look forward to working with you and your marketing team to make this the most successful program in racing.

Thank you,

Eric Kropiewnicki

Jennifer Yinger

Years Racing: 4.5 years (3.5 in 358 sprint, 1 in super sportsman)

Jennifer has a natural passion for racing and familiar to the set-up, exposure and goals to become successful. This heart-filled women stands 5’10” tall and definitely stands out in the this “male dominated sport.”

Jennifer works and interacts with the public regularly and spends much free time at local racetracks. She has grown up around a racing family, including her dad, uncle and grandfather. The family spirit and support helps drive the love and challenge of the sport.

There has been a constant growth as Jennifer’s experience grows. She has developed an experience driving at three tracks:

Selinsgrove Speedway – Selinsgrove, Pennsylvania

Trail-ways Speedway – Hanover, Pennsylvania

and the nationally recognized and target track for Mader Motorsports:

Williams Grove Speedway – Mechanicsburg, Pennsylvania.

With the joint interest from Mader Motorsports, a new car and a strong team, we feel Jennifer will produce extreme results.

Jennifer’s last 2 year’s racing stats:

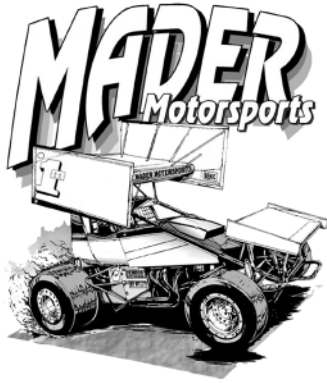

Heat Races	Features
2 – 1 st place finish	1 – 10 th place finish
2 – 2 nd place finish	2 – 12 th place finish
1 – 3 rd place finish	2 – 14 th place finish
1 – 4 th place finish	3 – 17 th place finish
4 – 6 th place finish	2 – 18 th place finish
1 – 7 th place finish	2 – 19 th place finish
3 – 9 th place finish	1 – 22 nd place finish
	2 – 24 th place finish

In 2004, Jennifer finished 28th in points out of 52 drivers

Additional:

- Completed Billy Pauch’s Driving School

With the joining passion from Jennifer, experience and support from her family and Mader Motorsports, along with the media we expect from simply being involved in a “man’s sport,” we expect to see good things from the coming season.
